Come Dasara, Town Hall parking lot thrown open

…but closes after *Nada Habba* ends as practised since 2018

Additional ramp being built; project cost escalates from Rs. 10.86 crore to Rs. 23.28 crore

Mysuru, Aug. 17 (MTY&BCT)- The Town Hall parking facility in the heart of the city is turning out to be Hamlet's Ghost of our time as it is only during Dasara that the people in power think of the parking facility as Hamlet's Ghost says, "Remember Me". The issue, however, is conveniently forgotten during other months. And this drama is being enacted since 2018.

Dasara 2022 will be inaugurated on Sept. 26 and with just over 40 days for the *Nada Habba* to begin, the much-touted Town Hall Multi-Level Parking Facility will not be completed for sure. As ad-hoc arrangements that are being followed since 2018, the ambitious parking facility will be open temporarily for this Dasara and will be shut down later till the works are completed.

The works of the parking lot began way back in 2011 and only 80 percent of the works are complete now and the Mysuru City Corporation (MCC) has invited a fresh tender of Rs. 5 crore to complete the 20 percent of the pending works.

Conceptualisation in 2011

Due to the inordinate delay, the costs of completing the project have escalated. When the project was conceived in 2011, the estimated budget was Rs. 10.86 crore and Chhabra Associates of Secunderabad was given the contract. Later, due to the demands by the contractor and due to increased material costs and a change in the design, the contractor was awarded Rs. 18.28 crore tender.

The project was to be completed by April 2012 but due to differences of opinion, the contractor abandoned the project and was later blacklisted. Thanks to the utter disregard by elected representatives and officials, the project has dragged on till now and the MCC has called for fresh tenders for Rs. 5 crore — in February-March this year — taking the total project cost to a whopping Rs. 23.28 crore.

The contract has been handed over to Chandrashekhar, a local contractor, who has been given a deadline of Dec. 22, 2022. If it does not rain in August-September, the contractor has assured that the project will be completed on time.

Alleged irregularities in MUDA

Technical team from Bengaluru begins probe

Mysuru, Aug. 17 (RK&DM)- With allegations of rampant irregularities and misuse of grants concerning Mysuru Urban Development Authority (MUDA), a 4-member technical team from Bengaluru began a probe into public complaints of irregularities/ lapses/ misuse of funds and powers by MUDA authorities.

The technical team headed by T.V. Murali, Additional Director of Urban & Rural Planning at Bengaluru, upon arrival in the city, first met Deputy Commissioner (DC) Dr. Bagadi Gautham, who also heads the MUDA in the absence of a nominated Chairman, at the DC's Office here this morning, before proceeding to MUDA Office on JLB Road for conduct of the probe, the details of which will be known only later in the day or tomorrow.

MUDA Commissioner G.T. Dinesh Kumar, Town Planner Member Sesha, Superintending Engineer (SE) Mahesh and other officials received the Team Members.

Following complaints of irregularities in the allocation of alternative sites, payment of land acquisition compensation, misuse or improper use of grants and other lapses in the functioning of MUDA, Murali had written to the MUDA Commissioner on Aug. 11, 2022, mentioning that the Department had received numerous complaints on violation of rules and regulations on issues chiefly concerning allotment of alternative sites and land acquisition, among others.

EDITOR'S BOTTOMLINE

As we celebrate 75 years of independence, we are at an opportune moment to transform education and change the course of young peoples' lives. There is an urgent need for policy makers to look at education as a means for a holistic and happy life for our young people. Life skills cannot just be a part of curriculum where an hour is set aside for it; it needs to be ingrained in the very fabric of our education. The focus needs to shift from marks to equipping young people with relevant life skills to help them navigate through life and thrive. There is a need for all stakeholders in the educational ecosystem to acknowledge now more than ever, that the 'one size fits all' approach no longer works.

Learning needs to be made relevant, student-led, parent engaged and teacher empowered. Education systems need to be led from a space of equity, inclusivity and dignity. One way to do this is to unlearn what has not served us, what has not served young people and ask honest questions on how we need to change the way success has been popularly defined in our education. Can success also mean young people taking responsibility for their lives and communities? Can success mean young people who are happy with their life choices? Can success mean young people overcoming everyday adversities and being resilient to face life's many uncertainties? Stakeholders in the education ecosystem need to create space for young people to thrive and rewrite the narratives of what success means to them.

A stadium with railway track passing through it

Cierny Balog: Slovakian amateur football club TJ Tatran Cierny Balog prides itself on having one of the most unique stadiums in the world, complete with a railway track and a steam engine running straight through it.

Cierny Balog, a small Slovakian town of about 5,100 people, has become somewhat of a tourist spot in the last seven years or so, and it was all thanks to its football stadium. In 2015, a video of a steam engine passing through the stadium, on tracks positioned right between the field and the only existing grandstand went viral online, leaving a lot of people scratching their heads. Was it CGI, was it just part of a one-time event, or was there actually a train regularly passing right through the stadium? Well, as weird as it sounds, that last one was actually correct. The Čiernohronska Railway goes right through Cierny Balog Stadium and a steam-powered tourist train passes through it all summer long.

Myopia-curing glasses on sale for 5,700 dollars

Tokyo: Kubota Glass, a revolutionary pair of glasses capable of curing people of myopia (nearsightedness), has recently gone on sale in Japan for a whopping 5,700 dollars.

Myopia, or nearsightedness, is an eye disorder where light focuses in front of, instead of on, the retina, making objects in the distance appear blurry, while close ones appear normal. Apart from genetic factors, myopia has been associated with environmental causes, such as the lack of exposure to normal visual stimuli normally found outdoors, in daylight conditions.

With so many of us spending more and more time indoors in front of our TVs, monitors, mobile phones and computer screens, it's no wonder that myopia cases are increasing at an alarming rate.

More on missing number plates

Sir,

This is with reference to the views expressed by Chandrahas and Sreenivasa Murthy in this column recently on vehicle number plates.

I too have seen many two-wheelers such as motor-bikes, scooters (non-electric vehicles) plying in extension areas such as Vijayanagar II Stage and Hebbal sans rear number plates.

It is observed that a few tractors which carry soil, sand and bricks also do not have rear number plates. Either they are not clear or erased even though number plate is fixed.

Besides, most of the two-wheeler riders are using mobile phone while driving which is very dangerous as they may cause accidents.

As there is no regular and thorough checking of vehicles in extension areas, the motorists are not afraid of being caught.

One can also see minors riding scooters/bikes with pillion riders in extensions such as Hebbal and Vijayanagar II Stage, even though the authorities concerned have given stern warnings to their parents/guardians.

I request the Traffic Police Officers to have a check on these traffic offenders and impose hefty fines in order to curtail these traffic offences in future.

Father of Horticulture Dr. M.H. Marigowda's birth anniversary celebrated in city

Mysuru, Aug. 17 (RK&TRR)- Nammooru Nammoru Samaja Seva Trust celebrated the 106th birth anniversary of Dr. M.H. Marigowda, the Father of Horticulture, at Jaladarshini Guest House premises here on Aug. 8.

Speaking on the occasion, MLA L. Nagendra said that Dr. Marigowda showed a new way of gaining financial freedom by introducing horticulture to farmers who were till then dependent on agricultural produce for their income.

"He was responsible for Karnataka attaining the status of Horticulture Hub. Dr. Marigowda had his primary school education in Bannur, completed his Science graduation in Central College, Bengaluru and obtained his PG from Lucknow University. Later, he was given Doctorate by America's Harvard University. Prior to our independence, he worked as the Assistant Superintendent at Lalbagh in Bengaluru," he added.

Dr. Marigowda had worked tirelessly in the field of horticulture until 1977 when he retired. In recognition of his work, the Government of Karnataka gave him the title, 'Totagarika Ratna' in 1993. His birthday is also celebrated as 'Horticulture Day'. KEA Chairman M. Srinivasagowda, Trust President Satishgowda, Secretary A. Ravi, Corporators Chikkavenkatu, Prameela Bharath and others were present.

'There is no proposal to privatise BEML'

Defence Minister Rajnath Singh assures BEML delegation

Bharat Earth Movers Ltd. (BEML) Employees' Association President Govinda Reddy addressing a press conference at Pathrakartara Bhavan in city yesterday as others look on.

Mysuru, Aug. 17 (PM&TRR)- Bharat Earth Movers Ltd. (BEML) Employees' Association President Govinda Reddy has said that the Union Defence Minister Rajnath Singh has assured that the Government will not privatise BEML.

Disclosing this at a press conference held at Pathrakartara Bhavan here yesterday, Govinda Reddy said that the office-bearers of BEML Employees Association, along with Kolar MP S. Muniswamy, met Union Defence Minister Rajnath Singh and Union Parliament Affairs Minister Pralhad Joshi on Aug. 2 and urged them to drop the proposal of disinvestment through strategic sale that has been cleared by the Union Government.

The delegation pointed out that BEML is a profit-making Public Sector Unit and is supplying Defence equipment to the Central Government. The Defence Minister, who agreed that BEML is a profit-making company, assured the delegation that the proposed 'strategic sale' will not be done and added that Defence equipment and other critical components would be procured from BEML in consultation with the Defence Ministry, the office-bearers said.

Mysuru-Kodagu MP Pratap Simha, who is a member of the Parliament Committee (Defence), has also assured that he will do his best to procure Defence equipment and other components from BEML, they claimed.

Association General Secretary H.A. Nagashayana, Joint Secretary Hemanth Kumar and Treasurer Basavaraju were present at the press conference.

An alumnus of NIE, he had served at BHEL for 30 years. He leaves behind his wife Usha, sons Sandeep and Swaroop, daughter Seema and a host of relatives and friends. Last rites were held yesterday in Bengaluru, according to family sources.

Cobra rescued from bike's headlight dome

Mysuru, Aug. 17- A spectacled cobra, which was hiding inside the headlight dome of a bike, has been rescued at Maduvana Layout in city recently.

A resident of Madhuvana Layout had parked his bike in front of his house in the night and when he tried to move his bike the next day morning, he heard a loud hissing sound. On closer observation, he saw the tail of a snake near the bike's headlight dome and immediately called snake rescuer Ramesh. Ramesh, who rushed to the spot, carefully removed the cobra from inside the headlight dome, rescued it and released into its natural habitat.

Unidentified body found

Mysuru, Aug. 17 (KS)- Mysuru Railway Police have found a body of an unidentified man, who was run over by a moving train at Pandavapura Railway Station yard. The deceased is aged between 55 and 60 years, 5 ft. tall, wheatish complexioned and was wearing a white coloured full arm shirt with blue and yellow stripes and grey pant.

The kith and kin of the deceased, if any, may contact Mysuru Railway Police Station on Ph: 0821-2516579, according to a press release.

Telangana CM offers Rs. 10 lakh

financial help to Mysuru farmer's family

Vimal Kumar from T. Narasipur died while on a study tour to Telangana

Mysuru, Aug. 17 (MK&BCT)- The Telangana Government has extended Rs. 10 lakh financial assistance to National Farmers Union activist Vimal Kumar, who died due to cardiac arrest in Hyderabad recently, after visiting the Kaleshwaram project.

Vimal Kumar, 40, hails from T. Narasipur and he died while on a study tour to Telangana with farmers from Mysuru and other districts of Karnataka. The family was handed over a cheque of Rs. 10 lakh under Raitha Bandhu, a scheme launched by the Telangana Government.

The cheque was handed over by the Telangana Raitha Bandhu President Pallam Rajeshwar Reddy, who is also Telangana MLC, to the mother of the farmer, Tangamani, at a programme at Kalamandira yesterday.

The event, held at Kiru Rangamandira, marked the 75th Independence Day and was organised by Karnataka Rajya Raitha Sangha, State Sugarcane Growers Association President Kurubur Shanthakumar.

The Association had organised a seminar 'Krushikara Baduku' on the journey and life of farmers on the occasion of 75 years of Independence. The event also remembered the contributions of former Union Minister M.S. Gurupadaswamy, former Assembly Speaker B.G. Banakar and farmers' leader Prof. M.D. Nanjundaswamy.

Humane gesture

According to Shanthakumar, a delegation of farmers' organisations was on the study tour of Telangana to learn about the irrigation projects and other pro-farmer initiatives implemented by the Telangana Government, on Feb. 14 and 15.

"Vimal Kumar died of a heart attack while addressing a press meeting regarding the tour of the team in Hyderabad. When the issue was brought to the notice of Telangana Chief Minister K. Chandrashekar Rao, he directed the Ministers and officials to provide financial assistance to his next of kin Vimal Kumar," he said.

Following the CM's directive, Pallam Rajeshwar Reddy came to Mysuru and gave away the cheque to Vimal Kumar's mother. Unfortunately, Vimal Kumar's father also died recently, Shanthakumar added.

Addressing the event, Pallam Rajeshwar Reddy said the farming community in Telangana was benefiting immensely due to the effective implementation of 'Raitha Bandhu' and 'Raitha Bima', 24-hour free power supply and other welfare programmes by the State Government.

Karnataka farmers, who learnt about the Telangana Government's schemes, wanted similar schemes to be implemented in respective States for the welfare of farming community. South India Farmers Association President K. Narasimha Naidu and other farmer leaders also participated in the programme.

Not many takers for legal iron ore mining

More licences to be granted to stone crushing units to produce M-Sand: Minister Halappa

Bengaluru, Aug. 17 (KMS&BCT)- The Karnataka Government started the process to auction iron ore mines under 'Category C' by a Supreme Court direction but to its surprise, there are not many takers.

Halappa Achar

Following the Supreme Court order, the State Government identified 28 mines and fixed the auction amount per tonne of iron ore. But of the 28, only 12 have been taken by the contractors, abandoning the 16 mines. Now the Government has decided to call the tenders again.

Mines and Geology Minister Halappa Achar told reporters in Bengaluru yesterday that 12 of the 28 mineral blocks in the State were auctioned.

"Preparations are on to auction the remaining blocks, which will contribute significantly to increasing revenue for the department. In the last fiscal, revenue generated by the Department was Rs. 6,308 crore, which is a 145 percent increase compared to Rs. 4,357 crore in 2019-20," Achar said.

More stone crushing units

To meet the growing demand for sand, more licences will be granted to stone crushing units for the production of M-Sand, the Minister said. "The Government is mulling changes in the sand policy to increase the production of M-Sand. While the annual demand is 45 lakh metric tonnes, we are facing a shortage of 5 lakh metric tonnes," he added.

"Over 35 lakh metric tonnes of sand were being supplied from M-Sand manufacturing units and over five lakh metric tonnes are being extracted from natural sources. We are still short of 5 lakh metric tonnes of sand," he said.

On the 5 lakh metric tonnes of sand extracted from natural sources, he said that Hatti Mining Company is entrusted with the distribution of this sand in 15 districts, whereas Karnataka State Minerals Corporation Ltd. will distribute it in the remaining 16 districts

Gram Panchayats have been empowered to extract sand within their limits so that the demand is met. "We are also wary about illegal sand extraction. In such cases, the respective district administration will be held responsible," he warned.

On the sand prices, the Minister said that the Government has fixed Rs. 800 for every tonne of sand and M-Sand is being sold at Rs. 700 to Rs. 1,200 per tonne.

'Maralu Mitra' app

To ensure a smooth supply of sand as per demand in a transparent manner, the 'Maralu Mitra' app is being developed. "A few districts have already taken steps to supply sand in a transparent manner through the app. Very soon, one app for the entire State will be developed," Minister Halappa Achar said.

"The app will be connected to the GPS of the sand transporting trucks, geo-tagging and geo-fencing. This will check the sale of sand in the black market," he added.

NSS students remove hyacinth weed at Kukkarahalli Lake

Mysuru, Aug. 17- NSS students of SBRR Mahajana First Grade College, Mysuru, cleaning the Kukkarahalli Lake of water hyacinth and other invasive weeds recently. This weed, known as 'Bengal Terror,' obstructs sunlight thus reducing the quantum of oxygen gradually resulting in the death of fish and also the water body. NSS Programme Officer C.S. Siddaraju, Dr. K.M. Jayaramaiah of the Kukkarahalli Lake Conservation Committee and others were present.

Dr. P. Jayaramaiah commemorative volume release tomorrow

Mysuru, Aug 17 (PM&DM)- *'Dr. P. Jayaramaiah-Obba Vyaktiyalla, Shakti'*, a commemorative volume dedicated to Dr. P. Jayaramaiah, a former University of Mysore faculty and who has made a lot of contribution for the education of the rural poor, will be released at a programme to take place at Hotel Pai Vista on B-N Road opposite KSRTC Sub-urban bus stand at 11 am tomorrow (Aug.18).

Announcing this at a press meet here yesterday, former KSOU Vice-Chancellor Dr. N.S. Ramegowda said that former MLA Vasu and he (Dr. Ramegowda) will release the 200-page book, which contains 30 articles.

Former Special Secretary to the Government of Karnataka Dr. P. Boregowda will preside. MLC Madhu Madegowda and former Goa Government Chief Planning Officer Dr. S.T. Puttaraju will release the e-Book, he said adding that MLA C.S. Puttaraju and noted orator Prof. M. Krishnegowda will launch the documentary.

Dr. Ramegowda further said that former KSOU and UoM Vice-Chancellor Prof. K.S. Rangappa and former UoM Prasaranga Director Prof. K.T. Veerappa will be the guests of honour on the occasion.

Dr. P. Jayaramiah, who was born in 1935, had served the University of Mysore (UoM) as a Geography Professor for 35 years. He is a native of Naguvinahalli in Srirangapatna taluk of Mandya district.

Prof. K.T. Veerappa, Dr. Chandrashekar, Dr. Rangaswamy and Bookanakere Vijendra were present at the press meet.

Town Hall parking lot: MLA upset over delay

(Continued from page 1)

Pending works

Among the pending works for which the fresh tender has been called, there is plastering work to be done, one additional ramp is being built for both two-wheelers and four-wheelers to get down to the respective parking levels, flooring, waterproofing and finishing of the entire structure. A major part of the work is to prevent waterlogging during rains. A sump and a drain have to be constructed to drain off the rainwater.

The Multi-Level Parking Facility extends up to 6,000 sq.ft and as per the new estimates, 400 cars and 200 two-wheelers can be parked here. When the project was conceived, the MCC had announced that 600 cars and 200 two-wheelers could be parked. The number has shrunk due to the design changes.

MLA inspects

Yesterday, Chamaraja MLA L. Nagendra inspected the Town Hall parking facility and took objection to the snail's pace of the pending works. A visibly upset MLA asked MCC engineers and the contractor to complete the works before Dasara. MCC Commissioner G. Lakshmikantha Reddy, Corporator M.D. Nagaraj, MCC Dy. Commissioner Mahesh, Zonal Assistant Commissioner Manjunath, Engineer Kavitha and others were present.

'Sensitising journalists on children's COVID period'

Mysore Varsity conducts two-day workshop

Mysuru, Aug.17 (RKB&TRR)- A two-day workshop on the topic 'Sensitising Journalists on Children's COVID Period,' organised jointly by the Department of Journalism and Mass Communications, University of Mysore (UoM) and UNICEF, Hyderabad, was inaugurated by UoM Registrar Prof. R. Shivappa at Vijnana Bhavan in Manasagangothri campus this morning.

Speaking after inaugurating the workshop, Prof. Shivappa observed that to understand the world around us is a challenge now. "We are in a situation where we are more concerned about what subjects our children should study and which subjects are more useful. Earlier we used to get knowledge and information by reading newspapers which are not available even in big books today," he said.

Pointing out that society should not neglect the elders who have worked hard to build it, Prof. Shivappa said that the children, who are the future, should not be neglected too and these twin responsibilities are with us now. In the present days, values are declining and it is the responsibility of the journalists to create awareness about values among children, he added.

University of Mysore (UoM) Registrar Prof. R. Shivappa is seen watering sapling to inaugurate the workshop this morning as UoM Journalism and Mass Communication HoD Prof. C.K. Puttaswamy, Journalist Iswar Daitota, Prosun Sen of UNICEF, Hyderabad, Prof. M.S. Sapna and Prof. M. Mamatha look on.

Prosun Sen, Communication, Advocacy and Participation specialist, UNICEF, Hyderabad, who was the chief guest, spoke on the topic 'COVID Communication Campaign of India.' He said that present day children lack nutritious food. "During COVID pandemic, children had a very tough time and it was a challenge for parents to protect their children from the pandemic," Sen opined.

Journalist Iswar Daitota, who spoke on the topic 'Identification of Children's Issues in Regional Media During and Post COVID Period,' felt that the future of children is a matter of concern for everybody. "Journalism has a big responsibility in shaping the future of children and they should be careful about what they write. Have a concern for children and ensure that they are not badly influenced," he advised the gathering.

More sessions and group activities were held later in the afternoon.

UoM Journalism and Mass Communication HoD Prof. C.K. Puttaswamy, Prof. M.S. Sapna, Prof. M. Mamatha and others were present.

Parking problem to aggravate for tourists this Dasara

This year, as the State Government has decided to celebrate Dasara in a grand manner, tourists will throng Mysuru and parking, especially in the Central Business District will be in great demand. With only a temporary parking facility in the Town Hall premises, tourists will be severely inconvenienced.

Usually, the main Dasara events are held at Palace (illumination and cultural programmes), Kuppanna Park (flower show), Open Street Festival (Krishnaraja Boulevard), Yuva Dasara (Maharaja's College Grounds) and *Aahara Mela* (Scouts and Guides Grounds). Thousands of visitors come to these venues and parking vehicles is a herculean task and a nightmarish experience.

Also, many visitors shy away from coming to these programmes as they do not get a sufficient and suitable place to park their vehicles. The Town Hall parking facility is convenient as the location is in the heart of the city and is just a stone's throw away distance to Mysore Palace, Kuppanna Park, Dasara Exhibition Grounds and the surrounding venues.

Technical team begins probe

(Continued from page 1)

Besides, the previous MUDA Commissioner and the past Chairman had blamed each other of irregularities and lapses. Following the complaints, the Government formed the Technical Committee to probe the charges and directed it to come up with an unambiguous report concerning the charges within 15 days, the letter said.

The Committee, in its letter, had also asked MUDA officials to co-operate with the probe team by presenting all files, records and other documents on Aug.17, which are sought by it in connection with the irregularities or violation of norms and to assign responsible officials for giving clarifications or explanations until the probe is completed.

Saluting Brave Army Officers –3

Late Brig. Dr. M.A. Gokhale's journey as a doctor in the Army to a teacher in Mysuru School

By Dr. Manik A.V. Bengeri

Brigadier Dr. M.A. Gokhale, who was born in Karkala, Mangaluru, served the Indian Army as a doctor and was awarded with Ati Vishisht Seva Medal (AVSM) for his untiring services to the wounded soldiers during Bangladesh War in 1971. He continued his services to the needy even after retirement at many places including Mysuru. He was in Mysuru for almost 25 years and has served poor patients in and around Gokulam area free of cost as well as taught in Lions Sevaniketan School. He treated poor people freely and gave them fruits too as they could not afford to buy them in the market. The life story and the messages of late Brig. Dr. Gokhale is indeed inspiring. When the nation is celebrating *Azadi Ka Amrit Mahotsav,* ***let us salute this great soldier-doctor for his selfless service though he is not in our midst today.***

Brig. Dr. Mahadev A. Gokhale was born on 22nd September, 1917 in a small town by name 'Karkala' in South Canara, near Mangalore, Karnataka. Karkala is a very small village and a century ago it was not well developed, as such lacking educational as well as other developments.

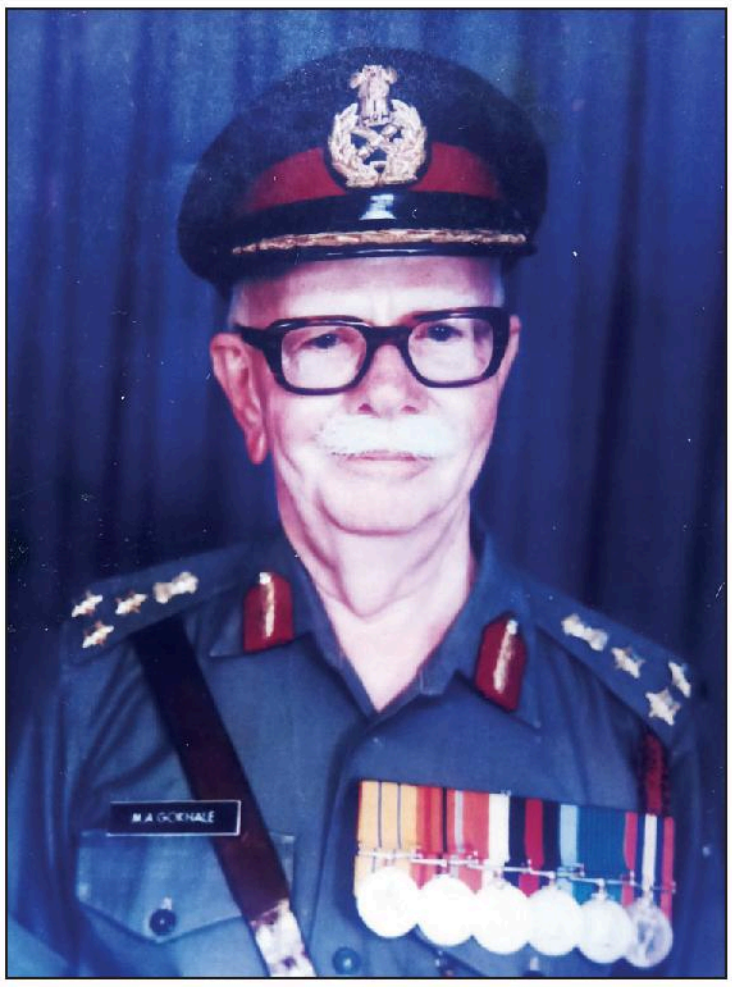
Mahadev, as a child, was very bright and intelligent. He shined academically and seeing his progress, the elders of the village were sure of this boy's bright future. They were very much sure that he would bring name and fame not only to the family, but also to his birthplace (Karkala). The experienced elders' predictions proved true when Mahadev completed matriculation from Karkala High School with distinction. There were no colleges to study further and there was no money with his parents either to educate him outside Karkala. **But one philanthropist named Nana Dandekar came forward and sponsored his education.** Thus Mahadev had the opportunity to prove himself academically. He went to Madras to study further and completed B.Sc. which was followed by M.B.B.S. from Christian Medical College, Madras.

Now Mahadev became Dr. Mahadev Gokhale, a pride of Gokhale family and Karkala village as he was the first to become a doctor. There were abundant opportunities for him to do private practice and earn money. But Dr. Mahadev Gokhale had inner urge to serve Indian Army and thus was Commissioned in Indian Army in 1944. His expertise as well as dedication and compassion towards the wounded soldiers of Army were beyond comparison.

In the year 1945 he got married to Leela Khare (Shakuntala Gokhale), who was a Hindustani classical singer. Thus Dr. Gokhale instantly decided to learn tabla. He not only encouraged his wife to pursue her music but also supported her by accompanying on tabla wherever he was getting family postings. Shakuntala Gokhale was performing at All India Radio. **She was the first disciple of Ghazal Queen Begum Akhtar.**

While serving in various units he completed his M.A. in Psychology. He also excelled while learning foreign language and did graduation in German language. Dr. Gokhale's service during Indo-Pak War in the Eastern Sector-Bangladesh in the year 1971 was excellent. Thus, in recognition of his exceptional medical services he was awarded *Ati Vishisht Seva Medal* by the President of India.

In the year 1972, he was



Late Brig. Dr. M.A. Gokhale, AVSM

posted as Commandant at Command Hospital, Pune, one of the biggest hospitals having 1,000 beds in India (Southern Command). At the same time he was associated with Red Cross Blood Donation Camps and many co-related activities for which he received an Award from Red Cross for maximum blood collection and excellent medical services rendered.

Even after retirement, in Mysuru he was associated with JSS College and was instrumental in organising blood donation camps at different places across Mysuru.

From Pune, Dr. Gokhale was promoted to the rank of Brigadier and was posted as ADMS M&G Area, Mumbai. This was his last posting as he retired in the year 1974 from Mumbai. However, even after retirement he was in great demand and as such he was appointed as Chief Medical Officer of Hindustan Copper Complex (HCC) at Mosaboni (near Tatanagar). During his tenure here he upgraded normal medical emergency services in the copper mines. **Until 1977 he worked there and after that he settled down in Mysuru and stayed in Gokulam at his nephew Chiplunkar's house which Dr. Gokhale named as 'Dhanvantri.'**

True to the name Brig. Dr. Gokhale was like God Dhanvantri for his patients. Brig. Gokhale always had the inner urge to earn more knowledge than money. **Thus when he was 80 years young, he completed his M.A. in English.** He received the degree with standing ovation and claps from the entire audience as a mark of respect and appreciation.

He never stopped at this point and completed B.Ed. successfully — the intention behind doing B.Ed. was to be eligible to be a teacher. **He worked in Lions West Sevaniketan School, Gokulam, without accepting any monetary benefits.** An exemplary service indeed ! He was associated with many cultural associations in Mysuru and contributed his mite — he participated in Dr. Sinduvalli Anantha-murthy's Kalasuruchi activities when the play 'Ghashiram Kotwal' was staged successfully.

He was also associated with CFTRI cultural association and participated in annual gatherings by playing tabla, accompanying Shakuntala Gokhale as well as other singers willingly. **His fluency in Kannada and Marathi as well as the knowledge of Music, Tabla, was excellent which was reflected in his poetic translations perfectly of Marathi Naatya Sangeet which is known as Rangageethe in Kannada.**

When he expired at the age of 87 in the year 2005 his body was donated to Armed Forces Medical College (AFMC), Pune, as his last contribution to the medical field and as per his last wish as well.

He was proud of his son-in-law Maj. Kharshikar, who expired on duty. His eldest son Col. Chandrashekar completed his dedicated service in the Army following the footsteps of his father and retired. Thus Brig. Dr. M.A. Gokhale led a very contented life and set examples in many fields. He will remain in the minds of people forever as an inspiring person. Our repeated salutes to such great souls who have shown a bright path to us.

India needs many more persons like Brig. M.A. Gokhale.

Governor to inaugurate Dr. Sri Shivarathri Rajendra Swamiji Jayanthi tomorrow

Chief Minister Basavaraj Bommai to preside

Dr. Sri Shivarathri Rajendra Swamiji

Mysuru, Aug. 17 (MTY&DM)- The 107th birth anniversary of late Suttur Seer Dr. Sri Shivarathri Rajendra Swamiji will take place in the city on Aug. 18 and at Gaithersburg in Maryland, USA, on Aug. 28.

Announcing this at a press meet at Sri Rajendra Bhavan in JSS Old Hospital premises here on Tuesday, JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath said that Governor Thaawarchand Gehlot will inaugurate the Jayanthi programme at Suttur Mutt at the foot of Chamundi Hill, at 11 am tomorrow (Aug. 18) in the presence of Suttur Seer Sri Shivarathri Deshikendra Swamiji and Tumakuru Siddaganga Mutt Seer Sri Siddalinga Swamiji.

Thaawarchand Basavaraj Bommai

Chief Minister Basavaraj Bommai will preside over the programme. District Minister S.T. Somashekar, MP Pratap Simha and MLA S.A. Ramdas will take part as chief guests, he said.

Continuing, Dr. Betsurmath said that the Jayanthi celebration will take place at the sprawling 52-acre JSS Spiritual Mission located at Gaithersburg in Maryland, USA, on Aug. 28. During the celebrations, *Bhoomi Puja* will be performed for the construction of a temple and a complex, at the space adjacent to JSS Spiritual Mission.

Coming back to Aug. 18 celebrations in the city, Dr. Betsurmath said that as is the practice every year, employees of JSS Institutions who retired in the period between Sept. 1, 2021 and July 31, 2022 will be felicitated along with their family members during the programme at 2 pm.

The other events include presentation of Pratibha Puraskar to meritorious children of employees of JSS Institutions who scored high marks in SSLC and PUC, distribution of prizes to winners of the debate contests, giving away prize to the best annual magazine amongst all JSS Institutions and distribution of student scholarship to JSS Hostel students instituted by JSS Hostels Alumni Association.

The other programmes organised as part of the celebrations include presentation of Rs. 1 lakh cheque to Mysuru Zoo on Aug. 29 towards feeding of animals and organisation of blood donation, body donation and eye-donation camps at JSS Institutions, he said.

Dr. Betsurmath also said that as part of the Jayanthi, all publications of JSS Granthamale will be sold at 50% discount from Aug. 18 to Sept. 30, 2022. Besides, all JSS Mahavidyapeetha Institutions and members of the public will hold Jayanthi celebrations till September end, during which free health check-up camps will be organised and wheelchairs, books, stationery articles etc., will be distributed for free among needy citizens.

Those unable to take part directly in the celebrations, can watch live-streaming of the programmes through YouTube ***[https://www.youtube.com/c/JSSMahaviyapeethaonline]*** and Facebook ***[https://www.facebook.com/JSSMVP]***

Pratibha Puraskar conferred on meritorious students

Mysuru, Aug. 17 (SPN&SSM) - Maharani Government PU College had organised a programme at its premises recently to present Pratibha Puraskar for meritorious students who had scored highest marks in PUC examination (2021-22).

Speaking on the occasion, MLA L. Nagendra said that out of 700 students who were studying in Science, Arts and Commerce streams, 93 students secured distinction and 400 students got first class. "At present, women are excelling in all the streams. We find women working in all the sectors now, who were earlier confined within the four walls."

Stating that Rs. 1 crore grant has been released for construction of six laboratories and classrooms, the MLA said that the College Principal has requested an additional Rs. 12 lakh for constructing more toilets and assured that he would see that the required fund is sanctioned.

"About 2,250 students are studying in the College, where most of them come from rural places. Students must take up competitive exams and achieve something in life. We have the first tribal woman and a teacher as our President. Droupadi Murmu is the first citizen of the country now. This is one of the greatest developments in the country," he added.

Deputy Director of Pre-University Education (DDPUE) Srinivasa Murthy, College Principal P. Somanna, Bharatiya Itihasa Sankalana Samiti Vice-President Dr. S.B.M. Prasanna, Corporator Pramila Bharath and others were present at the programme.

PM SVANIDHI beneficiary gets Rs. 50,000 as third level of loan

Mysuru, Aug. 17 (SPN&DM)- Vishwanath, a resident of Ramanuja Road and a beneficiary of PM SVANidhi (Prime Minister Street Vendor's Atma Nirbhar Nidhi), was credited with an amount of Rs. 50,000 as the third level under the scheme, through Janaseva Kendra run by BJP youth leader K.M. Nishanth.

Speaking on the occasion, K.M. Nishanth, city BJP Yuva Morcha Vice-President said that PM Modi introduced this scheme, which is a special micro-credit facility scheme for providing affordable loan to street vendors to resume their livelihoods that have been adversely affected due to COVID lockdown.

Pointing out that first instalment carries a loan of Rs. 10,000, he said the beneficiaries upon returning this loan are eligible to get Rs. 20,000 in second instalment. Upon return of second instalment, the beneficiary will become eligible for Rs. 50,000, he said adding that the third instalment cheque of Rs. 50,000 was directly credited to the Bank account of Vishwanath. He said that his Janaseva Kendra has helped in getting loans to over 1,100 street vendors.

Vishwanath said that he is now 74 years old and he still has the desire to run a small business and the PM SVANidhi scheme has helped him a lot, at a time when banks were hesitant to extend loans to persons aged over 60. He thanked Janaseva Kendra for pursuing his online application for loan without any collateral guarantee. He has also written to the PM thanking him for introducing the scheme.

WORD OF THE DAY

Luddite

Pronunciation: LUH-dyte.
Meaning: Luddite refers to someone who is opposed to change, and especially to technological change.
Origin: Long before your Luddite friend was waxing poetic about how blissful it is to not have a smartphone, Luddites were protesting the textile machinery that was slowly replacing them. It was toward the end of 1811, in the vicinity of Nottingham, England, when handicraftsmen formed organised bands and began to riot for the destruction of the new machinery. Their name is of uncertain origin, but it may be connected to a (probably mythical) person named Ned Ludd. According to an unsubstantiated account in George Pellew's Life of Lord Sidmouth (1847), Ned Ludd was a Leicestershire villager of the late 1700s who, in a fit of rage, rushed into a stocking weaver's house and destroyed his equipment; subsequently, his name was proverbially connected with machinery destruction. With the onset of the information age, Luddite gained a broader sense describing anyone who shuns new technology.
Example: "A high school English teacher who has been working for more than a quarter century, Beasley is no Luddite. She taught online courses before the pandemic and has used a learning-management system for years, unlike some of her colleagues, who still prefer a traditional pen-and-paper grade book." — Alyson Klein

THE ODD WORD

Laeotropic

Turning to the left.

PHRASE OF THE DAY

Learn the ropes

Meaning: Learn the ropes means to learn how to do something.
Origin: Not surprisingly, the origin of the idiom "learn the ropes" is nautical. Before the days of ships powered by steam or fossil fuel, almost all ships had sails. New recruits had to learn how to tie knots and manipulate the ropes that moved the sails to capture wind most effectively; this series of lessons was termed "learning the ropes."
Example: "Once I learn the ropes at my new job, I won't be so nervous and I'll be very good at the work I do."

QUOTE BOX

However big the storm or challenges - Just catch the rope of HOPE, not the suicidal rope. —**Faithboat**
